TOY FACTORY STAGE PLOT 2009

All direct boxes are included in each rig Artist provided
 Looms included for Bass/Bass Synth and Keys Rig.
 Mic Cables needed for guitar and keys 2
 Shure wireless 58's for all vocals.
 This is very important as vocals sing from different positions so as to
 maintain monitor mix integrity mics travel with singer
 Toy Factory uses 2 ear mixes and 3 wedge mixes (Percussion, Guitar, and
 Drum mix w Sub)
 TF can provide ear mixes if needed
 Please call Daren Owens for changes
 317.506.8607

Please note the Input list included it is correct
